

As a young, multi-platform entrepreneur, I have greatly appreciated the amount of public engagement and vocational exploration that the Haywood County Chamber of Commerce has afforded me. Both personally as an ambassador, and professionally with Moxxie Marketing, they have shown an incredible amount of support. The Chamber provides a perfect setting to better engage with our community through philanthropy, as well as other acts that shape the whole county. I truly can't wait for all of the amazing things this county will be able to do in the next decade with a Chamber like ours!
