

# FACES OF HAYWOOD

*Emily W. McCurry*  
Edward Jones

**T**he Chamber has been and continues to be a vital resource for businesses of all sizes in Haywood County. There's continual opportunities to learn and grow your business, network with other business owners, and keep yourself grounded in your community. I'm proud to be a member, as well as serve as an Ambassador for our Chamber, and I've seen growth in my business because of my involvement with the Chamber and utilizing all they have to offer.
