

“I attended a Haywood Chamber event my very first day on the job—before I even went to the office—because I know how important a strong Chamber is to the vitality of a business community. Through the Chamber, and especially through Leadership Haywood County, I’ve learned a great deal, developed valuable relationships, and increased Lake Logan’s profile in the community. I am thrilled to be a part of Haywood County Chamber of Commerce.”

— *Lauri SoJourney, Executive Director, Lake Logan Conference Center*
