

FACES OF HAYWOOD

Buffalo Creek Vacations is a proud member of the Chamber of Commerce family. We are a family-owned and operated log-home vacation rental business situated on a Bison ranch in Haywood County. The Chamber has assisted us in connecting with other local family-owned and niche businesses to form partnerships that add to the

growth and profitability for both firms. The Chamber has helped us to promote our brand and special events, which has increased booking rates and repeat customers. We are excited to continue our relationship with the Chamber and grow our family alongside the Haywood County business community.
